

Yes in today, to the word
I heard
Deep in my mind
About lost mankind
Yes in these hours
With all of my powers
Yes Lord, yes Lord, yes.

Yes to the trouble I'll meet
In the street
Out and about
Learning to shout
Loudly and clear
Even in fear
About you Lord, oh yes Lord, yes.

Yes to the brothers and sisters
Together
Hearts and minds one
Whatever the weather
Yes to our team and our holy endeavour
Yes Lord, yes Lord, yes.

Yes to your heart for the lost and the lonely
Yes to the cost
Yes to you only
Yes to your will, so abide with me still
Yes Lord, yes Lord, yes.

Yes to your call about leaving and grieving
Yes to the power of the Spirit receiving
Yes to the obedience of faith and believing
Yes Lord, yes Lord, yes!
